

HOSPITAL CHECKLIST

Some women pack their bags as soon as they enter their ninth month. Others wait until they are in labor. Whenever you decide to pack yours most women find these items necessary and helpful.

Because of COVID at this time your companion needs to bring everything he/she will need for 3-4 days as he/she is not allowed to leave at this time.

TOILETRIES

- Shampoo/Conditioner
- Toothbrush/Toothpaste/Mouthwash/Dental Floss(St. Clare's provides hospital quality shampoo, soap, toothpaste)
- Soap/Body wash
- Deodorant
- Moisturizer
- Makeup/Makeup Remover/Cotton Balls
- Comb/Hairbrush/curling iron (hairdryers are provided)
- Hair Clips/Scrunches
- Eyeglasses/Contact Lenses and cleaning products for contact lenses
- Lip Balm
